Hidden Haven Association

There are 3 types of registrations, majority will choose Homeowner. We do have a couple homes that are either Renters or Lot Owners. Only Homeowners/Lot owners are able to vote for HOA business, but we still would like to know about the Renters/Occupants. Please fill out as much information as possible. This will be used to communicate things to all the development as needed. There also is a spot to add household members (spouse, significant others, children, and relatives) living at the address. In addition, you can add your pets and attach a picture. This could come in handy if your pet wanders off. Once you submit your registration the HOA board will approve it and you will then have full access to the site.
